

The Neighbourhood Association of Uplands Park

Resolution in support of the Sandy Lake - Sackville River Regional Park Coalition

July 30, 2020

At the Annual General Meeting, of the Neighbourhood Association of Uplands Park, the submission of the Sandy Lake - Sackville River Regional Park Coalition to the Regional Plan review was considered. As a neighbouring community to both this initiative, previous proposals such as the rock quarry intended for the area now known as Blue Mountain, and the Bedford West development, we have an interest in these types of initiatives and their impact on our environment and quality of life.

Be it resolved that, the community of Uplands Park wishes to express its full support for the aims and objectives contained within the submission of the Sandy Lake - Sackville River Regional Park Coalition and especially the request that there be no development within the proposed expanded parklands adjacent and to the west of Sandy Lake.

- Board of Directors, The Neighbourhood Association of Uplands Park
